Our Mission Statement

Our mission is to help SMEs to compete constructively with the big boys such as Amazon and Alibaba, both of them are already in Singapore disrupting small businesses in big way.

Save 20 to 30% electricity

Singapore government has opened the electricity market to retailers. Now you can elect to buy electricity from other retailers and pay 14.2 cents per kWh (SP 20 cents per kWh).

For companies and businesses registered in Singapore only.

To qualify, your company must have the following:

1. Monthly usage of electricity over a period of 3 months must be 2000 kwh and above.
2. Documents required:
ACRA extract (latest)
Electricity bills (past 3 months)
NRIC of owner/director
